WHY CHOOSE A1 PLANT HIRE

01 OUR PEOPLE WILL MAKE IT HAPPEN

A1 Plant Hire is ready to support you every step of the way, 24 hours a day, 7 days a week! Our knowledgeable and experienced team of problem-solvers are passionate about delivering an unrivaled customer experience, everytime.

02 RAPID RESPONSE TO DELIVER WHAT YOU NEED FAST

Our vast and highly diversified fleet allows you to secure the right plant and latest equipment needed for jobs across a variety of applications, environments or industries. And if we don't have it, we will source it for you.

03 WE HAVE SOLUTIONS FOR EVERY PROJECT

From a single rental to a long-term turnkey solution requiring technical expertise and engineered design, we offer versatility across every phase of your project.

04 FINANCIAL ADVANTAGE

A budget-friendly rental solution eliminates upfront capital outlay and costs associated with maintenance and repairs, transportation, insurance, storage and downtime.

05 WET HIRE SOLUTIONS

A1 Plant hire provides quality and experienced operators to provide an all in and complete service.

06 MAINTENANCE AND PRODUCT SUPPORT

Around the clock, in-house maintenance provision.

ABOUT US

Australia's go-to plant hire provider

A1 Plant Hire is at the top of our industry, standing out from the competition in more ways than one. We proudly support our clients, who range from Government bodies through to Tier 1 to Tier 3 contractors, to enable complex and diverse infrastructure, mining, and oil and gas projects throughout Australia.

Established in 2005, we have grown to become a significant player in Western Australia's plant hire industry. Our equipment is continuously upgraded to become an extensive fleet of new and near new plant and machinery.

Our team of qualified and experienced professionals is focused in supporting our customers and delivering their project goals.

WHAT OUR CLIENTS SAY

A1 provided both excellent personnel and quality machines on a long-term basis for our project, the Mitchell Extension Joint Venture (MEJV) in the Alkimos/Butler area.

Simon Logan
Foreman, MEJV Project

The A1 Team was always responsive when called upon, provided great support, customer service and high-quality, low hour machines.

Tyson Webster
Foreman, BMD Urban

Hired a larger excavator for a long-term project in the Goldfields. Ross and the A1 Crew ensured the excavator was presented in excellent condition with low hours and the required accessories present. A really good company to deal with.

Nathan Boyle
Owner, Boyle Civil Contracting

I had a long-term hire on a Hydrema all-terrain water truck on a large subdivision in Burns Beach. Quality machines with good back up service and support.

Ray McCawley
Site Supervisor, Wormall Civil
